DONATIONS

Member's subscriptions pay for hire of training facilities, affiliation fees and equipment as well as the general expenses of running the club. We aim to keep subscriptions low and currently do not charge for training sessions. We believe the current subscription level represents excellent value for money. However we are raising funds to improve training facilities and we have a separate fund raising account for this into which money from extra fundraising activities goes. If you feel you are able to donate any money to this cause the committee would extremely grateful. VRAC is a registered Community Amateur Sports Club (CASC) thus we are able to claim Gift Aid on donations.
