COACHING VACANCIES

As a legacy of the London Olympic Games the number of young athletes has significantly increased.

Two of our long serving coaches have announced that they will be retiring from their coaching positions leaving only a reduced team of qualified coaches to coach on Tuesday and Thursday evenings at the Knights Grange track in Winsford.

From April 2013 we will require a minimum of two additional coaches/ coaching assistants to help with the U11 and U13 training sessions.

The Club will pay for any approved volunteers to attend an England Athletics coaching course in the North West of England as soon as possible to start them off on their coaching pathway.
